In such cases, an Engaging entity may agree with an Individual Client to pay the service fee for that Transaction to their Football Agent in accordance with the Representation Agreement. All of the following conditions must apply:
 - a) The service fee payment made by the Engaging entity on behalf of the Individual Client shall not affect the fiduciary duty of the Football Agent to the Individual Client. It must also not create any dependency or subordination of the Football Agent towards the Engaging entity.
 - b) The service fee payment made by the Engaging entity on behalf of the Individual Client must be no higher than the agreed service fee in the Representation Agreement between the Individual Client and Football Agent. In case of doubt, the Football Agent or the Individual Client shall be obliged to present to the Engaging entity the Representation Agreement to which the payment relates.
 - c) The Engaging entity may not deduct any service fee payment made pursuant to paragraph 3 of this article from the Individual's Remuneration.

 - a) where a Contract has a duration longer than the associated Representation Agreement, a Football Agent may receive a service fee after expiry of the Representation Agreement as long as the Contract is still in effect, and provided that this is expressly agreed with the Client in the Representation Agreement.
6. Payment of any service fee to the Football Agent shall be made after the closure of the relevant registration period and in instalments every three months for the duration of the Contract negotiated by the Football Agent.
7. Only the Remuneration actually received by an Individual Client shall be subject to the payment of the Football Agent's service fee, calculated on a pro-rata basis to the Remuneration actually received by the Individual Client.
8. Where a negotiated Contract is less than six months in duration, payment shall be made in a single instalment at the expiry of the negotiated Contract.
9. A Football Agent may not receive a service fee when engaged to perform Football Agent Services relating to a Minor unless the relevant player is signing their first or subsequent professional Contract.

 - a) The Individual Client transfers to another Engaging entity before the negotiated Contract expires; or
 - b) The negotiated Contract is prematurely terminated and the Football Agent still represents the Individual Client at the time of that termination.In such situations, the Football Agent will be due a fee calculated on a pro-rata basis up to the date of the Contract.

Client	Service fee cap	
	Individual's annual Remuneration less than or equal to PLN 800,000 (or equivalent)	Individual's annual Remuneration above PLN 800,000 (or equivalent)
Individual Client	5% of the Individual's Remuneration	3% of the Individual's Remuneration
Engaging entity	5% of the Individual's Remuneration	3% of the Individual's Remuneration
Engaging entity and Individual Client (permitted dual representation)	10% of the Individual's Remuneration	6% of the Individual's Remuneration
Releasing entity	10% of the transfer compensation	

For the avoidance of doubt, the following shall apply:

- a) The calculation to determine the relevant service fee cap of the Individual's Remuneration may not take into account any conditional payments.
